

fanonian practices in south africa

fanonian practices in south africa pdf - Frantz Fanon (French: [fãtʁãˈfãnɔ̃]; 20 July 1925 – 6 December 1961) was a psychiatrist, philosopher, revolutionary, and writer from the French colony of Martinique, whose works are influential in the fields of post-colonial studies, critical theory, and Marxism. As well as being an intellectual, Fanon was a political radical, Pan ...
